Use words, pictures, and/or drawings. **BE CREATIVE AND COLORFUL!!** You will have until **next** Thursday to complete this project, but you may turn it in prior to that date.

PARENTS: Be sure to talk with your child as you work together on the poster about how he/she can be a good citizen at school, at home, and in public. Also, use as many of your child's vocabulary words as you can in daily conversation. Finally, when your child says they are finished with his/her poster, encourage him/her to extend it and make it even better.

* Feel free to help your child with this activity. The final product should be your child's work, but I encourage your involvement throughout the process. It is fine to jump in and help them here and there. They will learn so much from you! So, work together and HAVE FUN!

If you have any questions, please let me know.

***Helpful words that are related to good citizenship: sharing, service, working together, communicating, being respectful, being honest, etc.*
