### **HOMework ASSIGNMENT:**

This theme discusses the characteristics of good citizenship, such as:

- obeying the law
- respecting authority
- loving your country
- believing in doing what is right, etc

We will be talking about these important characteristics in regards to our country, but we can also think about practicing these things within our own classroom. For this homework assignment, think about our classroom as it's own country. As a citizen of this little country, create a flag to represent our classroom. **BE CREATIVE!** Your flag may be any size, shape or color. You may **use any materials** to make your flag.

Make sure that your flag is colorful and interesting to look at . Think about things you could draw on your flag that would represent our classroom.

On the **back of this page**, please fill out the information regarding our classroom country and return it with your flag.

**PARENTS:** Be sure to talk with your child as you work together on the flag. Also, use as many of your child's vocabulary words as you can in daily conversation.

**Finally, when your child says he/she is finished with his/her flag, encourage him/her to add more detail.**

- Feel free to help your child with this activity. The final product should be your child's work, but I encourage your involvement throughout the process. It is fine to jump in and help them here and there. They will learn so much from you! So, work together and HAVE FUN! If you have any questions, please let me know.
