**PARENTS:** Be sure to talk with your child as you work together on this project. Also, use as many of your child's vocabulary words as you can in daily conversation. Finally, when your child says they are finished with his/her pictures, encourage him/her to make them even better.

\* Feel free to help your child with this activity. The final product should be your child's work, but I encourage your involvement throughout the process. It is fine to jump in and help them here and there. They will learn so much from you! So, work together and HAVE FUN!
