

Homework Project – Theme 9

1st Grade – Hamersville

DUE DATE:

Theme 9 Overview:

- **Title – NATURE'S RESOURCES: How do you use air and water every day?**
- Vocabulary words – harvested, scent, peaceful, find, splash, depend
- Phonics – “oke”, “ope”, “oad”, “old” word families
- Phonemic Awareness – phoneme isolation and segmentation
- Grammar – action words (verbs) – present tense (now) & past tense (the past)

HOMEWORK ASSIGNMENT:

Fill in the chart about natural resources. For each natural resource that is listed on the chart, you will need to draw a picture of the resource, draw a picture and **LABEL** what we use that resource for, and give one way that you can help save that resource.

PARENTS: Be sure to talk with your child as you work together on the chart about how he/she can help take care of our world by conserving trees, water, and coal/natural gas. Also, use as many of your child's vocabulary words as you can in daily conversation. Finally, when your child says they are finished with his/her chart, encourage him/her to extend it and make it even better by coloring, adding another way that he/she can help save a resource, etc.

* Feel free to help your child fill in the chart, he/she will definitely need your help. The final product/writing should be your child's work, but I encourage your involvement throughout the process. They will learn so much from you! So, work together and **HAVE FUN!**

If you have any questions, please let me know.

Natural Resources: How Can I Help?

Name _____

| Resource | Picture of Resource | What Do We Use This Resource For? Draw a picture and LABEL. | One way I can help save this resource is... |
|------------------------------------|---------------------|---|---|
| TREES | | | |
| WATER | | | |
| COAL or NATURAL GAS | | | |
