

PaySchools Central

CHECK OUT OUR NEW FEATURES

Dear Parent,

We are excited to announce that we now offer a new online payment system called PaySchools Central. PaySchools Central provides all parents in our district with an easy way to pay for nearly every school expense: student fees, technology fees, class fees (once assessed) and optional fees such as transportation fees, activity passes, and prom tickets, all in one place. This can all be done in the convenience of your own home through an easy-to-use online portal:

www.payschoolscentral.com, or while on the go with a convenient mobile app, available for download here:

The PaySchools Central parent portal is easily accessible. Simply visit **www.payschoolscentral.com** to create your account.

Creating a PaySchools Central account is easy, quick and free! Simply add your child to the system using their student ID number (ID number is located in Final Forms) and some other basic information. Next, the system will take you through a step-by-step registration process. Once your account is created, you will find a variety of features that will make the management of your student's fees easier. Registration instructions will be sent via Final Forms.

Fees paid online will not incur any convenience or processing fees.

**** At this time, PaySchools Central will not be utilized for managing Student Lunch Accounts. Information for Student Lunch Accounts can be accessed by navigating to Food Service>Pay Online from the Western Brown Home Page (wb.k12.oh.us)**

We are pleased to offer our parents a streamlined online payment system that will provide you with a faster, easier, and more convenient option for paying school fees for your family. For further questions regarding PaySchools Central, contact your student's building secretary. PaySchools may also be reached for support at the contact information listed below.
